Program Details- 26th November

TIME	SESSION	SPEAKER/PANELIST
08:30 - 9:00	Power Breakfast Sessions	IoT Experts
09:00 - 9:30	Inanugral Address by Minister/DiETY Officials	Government Official/ Minister
09:30 - 10:00	The Future of IoT: Creating Transformative Experiences	International Speaker/Mckinsey Speaker
10:00 - 10:45	From Hype to Insight: Transforming Businesses	Diamond Partner/Presenting Partner
10:45 - 11:15	Connected Communities and their	Panels with 4 speakers & moderator
TRACKS	**Track 1 (Business Track)**	**Track 2 (Consumer Track)**
11:15 - 11:45	Smart and Connected Transportation with IoT	#IoTH: The Internet of Things and Humans
11:45 - 12:15	Integrating IoT Technologies and Standards & Creating a Sustainable IoT framework	IoT - Delivering an effective marketing strategy to the end consumer
12:15 - 12:30	Capitalising on IoT and Creating Value from Data	
12:30 - 13:00	Making the City Smart with IOT - Smart Utilities	IoT in Connected Healthcare Experience
14:00 -15:00	Panel Discussion: Identifying and Creating Solutions that better prepare for future threats and risks	Panel Discussion: Assessing the Future of Open Source Hardware
15:00- 15:30	IoT in Connected Healthcare Service Delivery	IoT - Protecting and Defending the Edge
15:45 - 16:00	IoT Solution Showcasing 1	IoT Solution Showcasing 1
16:00 - 16:40	IoT Solution Showcasing 2	IoT Solution Showcasing 2
16:40 - 17:00	IoT Solution Showcasing 3	IoT Solution Showcasing 3
17:00 - 17:30	IoT Solution Showcasing 4	IoT Solution Showcasing 4

Program Details – 27th November

TIME	SESSION	SPEAKER/PENELIST
	Track 1 (Venture Capital)	**Track 2 (Academia)**
08:30 - 9:00	Power Breakfast Sessions	Power Breakfast Sessions
09:00 - 9:30	Shaping Future Investing in IoT	Developing Open Platforms & Integrating App Stores for Smart Ecosystems across IoT
09:30 - 10:00	Fueling Future Growth, Future Life & Future Communities	IoT Devices : From Imagination to Prototype in 20 Minutes Presentation + Demo
10:00 - 10:45	The Key Attributes to Attract Investment	Defining an open source IoT Stack
10:45 - 11:15	Sucessful Case studies of IoT Ventures	New Approach to Large Scale IoT Connectivity
11:15 - 11:45	Panel Discussion: Accelerating Innovation & Investments in IoT Solutions	Complete Stack for Robotics
11:45 - 12:15	How to Get the Right Visbility for your Ideas?	Rapid IoT Product Development with Open-Source Middleware
12:15 - 12:30	Identifying and Creating Solutions that better prepare for future threats and risks	Accelerating IoT deployment through Linux Containers
12:30 - 13:00	Acceletors & Incubators driving IoT ventures	The 3D Web of Things
14:00 -15:00	Panel Discussion: Winning Strategies for IoT Ventures	Panel Discussion: Winning Strategies for IoT Ventures
15:00- 15:30	IoT Solution Showcasing 1	IoT Solution Showcasing 1
15:45 - 16:00	IoT Solution Showcasing 2	IoT Solution Showcasing 2
16:00 - 16:40	IoT Solution Showcasing 3	IoT Solution Showcasing 3
16:40 - 17:00	IoT Solution Showcasing 4	IoT Solution Showcasing 4
17:00 - 17:30	IoT Solution Showcasing 5	IoT Solution Showcasing 5
